*KMC accredited 4 points will be awarded to the participants.

We humbly invite you to the Silver jubilee conference of KACH. It is indeed a matter of great pride that this momentous occasion is being celebrated at our prestigious academic institution, the Bangalore Medical College and Research Institute (BMCRI).

About us:

Karnataka Association of Community Health (KACH)

KACH is the professional body of Community health and Public health specialists in Karnataka. Registered as a society in the year 1984, it is currently celebrating the Silver jubilee of its annual conferences. With more than 500 members on its rolls, it is striving to foster and nurture public health talent in our state.

Bangalore Medical College and Research Institute (BMCRI)

BMCRI is the premier Government Medical College in Bangalore, Karnataka and is consistently ranked as one among the top ten medical colleges nationwide. What started as a private Medical College in the year 1955 by the Mysore Education Society is now an autonomous institution under the Government of Karnataka, affiliated to the Rajiv Gandhi University of Health Sciences, Jayanagar, Bangalore. It has the largest number of post graduate and undergraduate students in the entire state. It is currently being upgraded to the level of AIIMS, New Delhi under PMSSY.

The Department of Community Medicine is fully staffed and aims to impart quality education. It enables an academic atmosphere where students strive for excellence to achieve and aspire for better health of the larger community. The many ongoing activities and projects provide an improved academic learning platform and help establish stronger public health links. We are also involved in research, implementation and evaluation of National and International projects.

Theme for conference

"Opportunities and Challenges in Public Health in the 21st Century"
