and
Samudaya (JJMMC Community Medicine Alumni Association)**

Dear colleagues,

We department of Community Medicine, JJM Medical College, Davangere, are immensely delighted to invite you to the 30th annual conference of Karnataka association of community health, KACHCON 2018 to be held on 29th and 30th September 2018. It is indeed a matter of great pride that this occasion is being celebrated at our prestigious academic institution.

Theme of Conference – Technology in Public Health is apt considering the rapid developments happening in the field of technology to provide access to quality health care. We are sure the conference will provide an opportunity for good scientific interactions.

About Bapuji Educational Association (BEA)

Bapuji Educational Association is a large educational organization of over 60 educational institutions across the city of Davangere, India. The Association has carved a niche for itself attracting students not only from India but across the Globe. Deeply inspired by the ideals and motivated by the father of nation "Mahatma Gandhi" or "Bapuji" as he was fondly referred to by millions, the Association was named after him and has committed itself to spread his philosophy of reaching the needy. The evolution of the association has led to the significant growth of Davangere educationally which is now aptly regarded as Oxford of Karnataka.

The vision and constant efforts of its present Hon. Secretary Sri. Dr. Shamanur Shivashankarappa and Hon Joint Secretary Sri Mallikarjun S S, the association is at its zenith and made Davangere Oxford of education.

About JJMMC

Jagadguru Jayadeva Murugarajendra Medical College, Davanagere, Karnataka was established in the year 1965. It is premiere Institute of the Association imparting Allopathic Medical Education leading to Undergraduate, Postgraduate Degree and Diploma Courses. The institution is striving hard to develop a health task force at all levels of health care delivery system through the various government as well as own hospitals.

About Dept of Community Medicine –JJMMC

Department of Community Medicine, JJMMC works with the objective of providing Quality Community oriented education to the Undergraduates and Postgraduates and conducting valuable research in empowering Community Health. The department is known for its research and training activities in the field of HIV, TB and Non-Communicable Diseases. Currently department is focusing on use of technology at community level for screening / diagnosis of diseases and is implementing two community based technology projects.

About Karnataka Association of Community Health (KACH):

Karnataka Association of Community Health is an association of community health specialists in Karnataka. Registered as a society in the year 1984. An organisation which is continuously striving to nurture public health talent and facilitate newer initiatives.

About Samudaya (JJMMC Community Medicine Alumni Association)

Since start of Post-Graduate Course in Community Medicine in the year 1991, 62 Post-Graduates have obtained MD – Community Medicine Degree. Alumni contribution to public health education is immense. Alumni are spread out all over India and overseas and have contributed significantly to public health education and research.

Look Forward to Meet You.
